

## Adding an entry to the Moodle Glossary

1. Using Twitter, find a web link to a PLN article or another helpful site
2. Copy the URL (web address)
3. Click **Add New Entry**
4. Concept = title
5. Paste the URL into the Definition block
6. Type a summary/explanation
7. Select a category
8. Click **Save changes**

The screenshot shows the Moodle Glossary 'Add New Entry' form. The form is titled 'Assignment 1' and is in the 'General' section. The 'Concept\*' field is empty. The 'Definition\*' field contains the URL <http://tinyurl.com/7vpao8n> and the text 'Use this website to learn about abbreviations and initialisms used with Twitter.' The 'Format' is set to 'HTML format'. The 'Categories' dropdown menu is open, showing 'Not categorised', 'English', 'K-3', 'Other', and 'PLN'. The 'Keyword(s)' field is empty. The 'Attachment (Max size: 100MB)' field is empty. The 'Auto-linking' section is at the bottom, with a checkbox for 'This entry should be automatically linked'.
