

Use the following information to create a circle graph on shark attacks.

1580 - 2007 World's Confirmed Unprovoked Shark Attacks

Territory	# of Attacks	Percent	Degree
USA (w/o Hawaii)	881		
Hawaii	113		
Australia	345		
Africa	276		
Asia	117		
Pacific Islands	131		
South America	100		
Antilles & Bahamas	65		
Central America	61		
New Zealand	47		
Europe	39		
Bermuda	4		
Unspecified	20		
Total			

Title:

Creating a Budget Pie Chart

Name: _____

The percentages below are the average amount spent on the item each **month**. Calculate how much you will spend on each item if you go with the average amounts.

Total net monthly salary: _____

Item	Percentage	Dollar Amount
Food	21%	
Housing (rent)	25%	
Electric Bill	5%	
Phone Bill	2.5%	
Water Bill	1.5%	
Clothing	7%	
Personal Care	2%	
Medical Care	5%	
Automobile	12%	
Recreation	4%	
Insurance	5%	
Other expenses	4%	

Create a circle graph using the percentages for your budget and the circle below (be sure to label everything inside the circle:

Personal Budget
