A diagram showing an HTML table with four rows and two columns. The first row contains the headers 'First' and 'Last'. The second row contains 'Captain' and 'America'. The third row contains 'Wonder' and 'Woman'. Arrows point to various parts of the table: a vertical arrow points down from the top center to the 'First' header; a diagonal arrow points from the top right to the 'Last' header; a horizontal arrow points from the left to the 'Captain' cell; a horizontal arrow points from the right to the 'America' cell; a diagonal arrow points from the bottom right to the 'Wonder' cell; and a horizontal arrow points from the left to the 'Wonder' cell.

First	Last
Captain	America
Wonder	Woman
