

## World War II Map

Use map on p. 531 in text to label and create a key. Must label the following:

Ireland	Great Britain	Norway
Sweden	Finland	Soviet Union
Portugal	Spain	Austria
France	Belgium	Netherlands
Germany	Denmark	Czechoslovakia
Hungary	Italy	Yugoslavia
Greece	Albania	Bulgaria
Turkey	Romania	Poland
Switzerland	Latvia	Lithuania
Estonia		

Also label with a star and name the following battles:

Normandy      Berlin      Battle of the Bulge      Stalingrad

The key should be 4 colors and show the following:

Axis Powers    Axis control 1942    Allies and Allied Control    Neutral Nations

Use the map to answer the following questions:

1. Which European nation was the only allied one not controlled by the axis powers at this time?
2. Normandy is on the coast of which nation?
3. Identify at least 5 nations which stayed neutral throughout the war?

## Map Rubric

All items are correctly labeled and the key/colors are easy to understand

0                      2                      4                      6                      8

Map is completed with care, neatness, and detail ( includes coloring all of land )

0                      2                      4                      6                      8

Answers to questions are correct and show understanding

0                      2                      4                      6                      8

Total Points \_\_\_\_\_ / 24 Points
