

Tangle Samples

Homework: Collect samples (printed or taken from magazines) of items found in our society that you could use as inspiration for your patterns

Objective: Create 5 sample patterns within the circles below based on the collected samples. The other 4 you will make up. We will share our ideas to give you a larger base of choices. The more tangles you have the more options you have to choose from.

Pattern- is created through a repetitious use of the same element to create an overall design.

Rhythm- is the repeated use of similar element such as color, line or shape,
