Value

Value: an element of art that refers to the lights and dark of an object.

Chiaroscuro: is a term describing the effects of light and shade in a work of art, particularly when they are strongly contrasting.

Value Scale- a chart that demonstrates the changing values of a tone on a scale of steps from dark to light.

Shade with pencil (blend from top to bottom to create a value scale)	Shade with charcoal (blend from top to bottom to create a value scale)	Using a pencil, fill each box with a consistently darker value. Segmented value
