# Enrolling Students for AA Portfolio Moodle Course
Moodle 2.0

To enroll students as "Teachers" for AA portfolio, **login to Moodle and open the student's Moodle course** (District category→AA or use the search box at the very bottom of the Moodle sub-category page).

1. Click on **Settings→Users→Enrolled**

2. Click on **Enrol users**

3. Change roll to **Teacher**

4. **Type student's last name** in the search box and press **Enter**

5. Click **Enrol** next to student's name

6. Click, **Finish enrolling users**
