

# Dallastown Area High School

## The Culminating Project and the Culminating Portfolio Notification Form.

Dear Students, Parents, and Guardians:

Dallastown Area High School Administration and Staff would ask that you review the Culminating Portfolio Guidebook, “Culminating Portfolio Template,” and the “Portfolio Sample.” The guidebook is available at [www.dallastown.net](http://www.dallastown.net). Select *High School*; then select *Departments* then *Culminating Project*. Please read the booklet and review the information below. Then sign this form which is to be returned to the student’s advisor.

I understand that all students graduating from the Dallastown Area High School must complete an online Culminating Project/Culminating Portfolio which fulfills the requirements of the Pennsylvania Department of Education regulations. This project is a graduation requirement and is given the value of one (1) credit. I have examined the Culminating Portfolio Guidebook which contains very specific guidelines and procedures to help students complete this requirement successfully.

I further understand that each student is encouraged to maintain his or her portfolio on a regular basis and should focus it on areas of personal interest. The student’s advisor will provide him or her with some of the guidance necessary to complete a successful portfolio; however, the primary responsibility to complete the portfolio rests with each student.

I have reviewed the Dallastown Area High School Culminating Portfolio Guidebook.
