

# Art Major Sketchbook Assignment #4

## Inside/Outside Drawing Technique Drawing:

- a. You will draw either an area inside or outside your house, an animal within its environment, or a personal still life.
- b. You will do a contour drawing of the area then decide what drawing technique you would like to create the drawing

with. You have the choice to use only one or several of the techniques.

1. The purpose of the sketchbook is to sample the various drawing techniques so later we will use this to create a larger version as a

project.
