

# Art Major Sketchbook Assignment #6

## Body part doing something unusual cartoon:

- pick a body part and make it do something unusual
- add a saying/slogan to your drawing like the ones you see in the newspaper
- ex. An eyeball with arms and legs doing the dishes while a little eye ball is sitting at the table doing something it is not suppose to do. (the saying can be that “I have my eye on you”).
- Create the drawing inside of a box (cell) like that of a comic strip (your choice of height and width (will be matted). Could have multiple cells.
