Dallastown Physical Education Class Procedures

- Be in the P.E. locker room by the time the tardy bell rings.
- Dress quickly and LOCK all valuables, including cell phones, i-pods, clothes, shoes, etc…
- Cell phones are not allowed in class unless your teacher instructs you to bring it to class.
- Be in the gymnasium within **five minutes** after the tardy bell rings.
- Hand all medical excuse notes to the high school nurse and notify your teacher.
- Remain in the locker room at the end of the class period until the bell rings.

Health and Safety Procedures

The following procedures should be followed by students at all times during class activity and in the locker room areas.

- Jewelry should not be worn in activities where it could cause injury. It must be locked in your locker.
- Students damaging or losing school equipment may be liable for repair or replacement.
- For safety reasons, no food, gum, or candy of any kind is allowed in class.
- It is important that a student with a medical condition that may need attention (i.e., asthma, bee sting, diabetes, etc…) makes sure his/her teacher is aware of the condition. Although the medical information may be recorded in the school office, it is important to a student’s safety to personally discuss the condition with the teacher. Bring any necessary medications/devices on a daily basis.

Uniform

- Student must wear a full length t-shirt and a pair of athletic shorts that are Dallastown related in good condition
- For outside classes in cool weather a student can wear a navy blue or gray sweatpants/sweatshirt.
- Sneakers must be worn at all times during class. No Exceptions!
**Excuses** - All medical notes must be given to the school nurse and notify physical education teacher.

- **Parent Excuse** – a note written by a parent (guardian) to the physical education teacher to excuse the student from activity for up to three days. Students will receive a 0/5 daily participation grade and has 10 days upon return to make up the points. If the activity can be adapted to allow the student some type of participation, it should be done.
- **Physician’s Excuse** – an excuse from activity or limitation of activity requested by a doctor. This excuse should be given to the physical education teacher. Physician’s excuses will be handled on a case by case situation with the possibility of completing alternative assignments.

**P.E. Make Up:**
Options for students on medical excuse and/or need to do make up work.

- Modify the activity within the P.E. unit so that the student can still participate.
- Make up the time missed by attending a PE make-up activity offered during wildcat period.
- Makeups must be completed within 10 school days upon return to school/activity or prior to the end of the trimester whichever comes first.

**Evaluation / Grading**

- **Skill Assessment**- A portion of student’s grade is based on a performance assessment of particular skills that are covered during the course. Students will be assessed in the skills and proper techniques of various lifts.
- **Cognitive Assessments**- Throughout this course there will be several quizzes/tests of the principles of strength training.
- **Daily Participation** – Part of a student’s grade is derived from their daily active participation in the classroom setting. For this reason, students need to *actively participate* in all class activities to earn credit towards the performance portion of their grade. In order to participate, students need to be dressed appropriately for physical activity, including athletic clothing and footwear. Students can then maximize their daily grade through active participation, engagement in skill development, and demonstration of appropriate social behaviors (respect, sportsmanship, etc.). See rubric below.
